# A sneak peek into the exciting new collection

## NEW COLORS

To stand out and attract new market segments, Atlantis Headwear is introducing new color variants for existing models. These fresh hues will offer more choices to express unique styles.

## OUTDOOR TREND

The trend towards outdoor activities has influenced the latest designs, which seamlessly blend performance and elegance for everyday wear. The new Maui and Erie products are perfect examples of this trend. These technical and high-performance items are designed to meet the demands of outdoor adventures while also fitting effortlessly into casual, fashion-forward outfits.

## EASY TO PRINT STYLES

Understanding the importance of decorators in the industry, Atlantis Headwear has made it easier than ever to customize products. The new styles are designed with printing in mind, ensuring that decorators can easily add their unique touch to each piece. This focus on printability ensures that products remain versatile and adaptable to various branding needs.

Sustainability continues to be at the forefront of Atlantis Headwear's design philosophy. **Several bestsellers will now be available in a new preferred materials versions**, maintaining the quality and style loved by many while reducing their environmental impact.

This commitment to a more responsible production is reflected in **new certifications: GRS** (Global Recycled Standard) and **GOTS** (Global Organic Textile Standard), **ensuring that products meet high environmental and social criteria.**
